BACKGROUND: Petitioner requests a Special Exception Use for the construction of a 4,960 square foot Cumberland Farms convenience market with fuel pumps and associated surface parking lot area and infrastructure. Copies of the four noted DRC meetings are attached.

The petitioner also appeared before the Board of Adjustment on January 3, 2017 to seek four variances for: distance between gasoline service stations; building frontage build-out; landscaping tree distance; and, bollards in lieu of wheelstops. All four variances were approved. A draft copy of those meeting minutes is also attached.
