REQUEST FOR CLARIFICATION - PROPOSED SHOPPING CENTER IMPROVEMENT PROGRAM

BACKGROUND: During the staff review of the proposed Shopping Center Improvement Program, several items were identified which require clarification from the Board. The items can be summarized as to how expansive or limiting should be the program’s focus. The 2017 Margate Community Redevelopment Plan speaks often about businesses, but only once about shopping centers. The attached document has a list of questions intended to provide clarification and direction on how to proceed with the program.

RECOMMENDATION: To consider the questions and provide direction as needed.

FISCAL IMPACT: N/A
