UPDATES TO MARGATE 2.0 SINCE JUNE 4TH, 2020 WORKSHOP

BACKGROUND: The Mellgren Planning Group (TMPG) engaged in a public workshop with the City Commission on June 4th, 2020 to present draft Goals, Objectives, and Policies on the Future Land Use Element that were written to address the Transit Oriented Corridor land use category. This item is being brought forward to the City Commission to review changes made to the draft plan based on that workshop discussion and allow for open dialogue in the sunshine. TMPG provided a memo to highlight and summarize those changes. Staff will relay Commission comments to the consultant.
