CONSIDERATION OF STONE COLUMN OPTIONS ALONG ATLANTIC BOULEVARD WALL

BACKGROUND: Under the Executive Director’s Report at the MCRA meeting on June 9, 2021, there was discussion about adding stone to the columns along the wall on Atlantic Boulevard and on the wall with the new Oriole Margate IV sign. The Board gave direction to the Executive Director to have renderings done that showed various applications of the stone as discussed.

Attached in the meeting back-up are four renderings which include stone half way up the columns, columns with full stone, and the sign wall with half and full stone treatments on its columns.

RECOMMENDATION: For Board review and direction.

FISCAL IMPACT: Preliminary estimates for the stone work range between \$30,000 - \$40,000.
