APPROVING DESIGN FOR BICYCLE MOBILITY IMPROVEMENTS ON NW 54TH AVE, NW 31ST ST, AND NW 62ND AVE.

BACKGROUND: This resolution is a follow up to Resolution 18-044 approved on April 18, 2018, which authorized and requested FDOT to develop plans to construct bike/mobility improvements along NW 54th Avenue, NW 31st Street, and NW 62 Avenue. FDOT has developed plans for bike/mobility improvements and is seeking City Commission approval. The portions of this project within the City of Margate are described as Section A and Section B. Section A consists of portions of Northwest 31st Street and Northwest 54th Street Avenue located east of State Road 7 and running east and north to Sample Road. Section B consists of portions of Northwest 31st Street and Northwest 62nd Avenue located west of State Road 7 and running west and north to the Margate city limits. Each section has multiple options/designs to choose.
