**BACKGROUND:** The following is a summary of some of the changes under the proposed collective bargaining agreement with the Federation of Public Employees (FPE):

**Wages:**

- Revised pay ranges and titles for certain positions.
- Employees promoted during a fiscal year shall be eligible for the full amount of steps in any provided step increase.
- Skill based compensation and Added Responsibility Increments (ARI) terminated effective the first full pay period following the adoption date of this Agreement. Sick leave, compensatory leave, personal holiday leave, holiday bank leave, and bereavement leave shall not be counted as hours worked for the purposes of calculating overtime pay or compensatory time.

**Leave time:**

- Requirement for using at least 50% of annual leave hours earned in each contract year is removed; also, vacation leave use is to be included as hours worked.
- An employee who has been absent on sick leave for more than three (3) consecutive days will also be responsible for completing and returning Family Medical Leave Act (FMLA) paperwork when requested to do so by the City, as well as a Fitness for Duty form, when applicable.
- Revised holiday leave article that includes tables based on work schedule. Holiday leave (with some exceptions) is included as hours worked.
- Sunset of personal leave article is removed and additional revisions are included.

**Insurance:**

- Agree to meet and bargain the future related allocation of expenditures for health insurance benefits during the term of the Agreement.

- Employee may be assigned to an equal, lower, or higher-graded position if current position is abolished.
- An employee promoted to a Federation covered position classification with a higher pay grade shall receive a 5% pay increase (rounded up to next highest step above 5%) or moved to the new position's pay grade minimum, whichever is greater.
- Clothing allowance for Code Compliance Officer, Community Service Aide, or Crime Scene Technician, increased from \$300 to \$450 per year.
