APPROVAL OF AN ORDINANCE TO UPDATE THE CODE OF ORDINANCES' REFERENCES OF THE DEPARTMENT OF ENVIRONMENTAL AND ENGINEERING SERVICES TO THE ECONOMIC DEVELOPMENT DEPARTMENT.

BACKGROUND: The Code of Ordinances references the Department of Environmental and Engineering Services in Sections 2-18 and 3.30 for zoning functions such as zoning confirmation letters and reasonable accommodation procedures. Zoning staff is located within the Economic Development Department and currently executes these codified functions.

Proposed amendments to Section 3.31 Walkway sales were removed from this ordinance at the March 28, 2017 DRC meeting because there is another ordinance moving concurrently through the approval process that deletes this section.

This item passed on First Reading at the June 21, 2017, Regular City Commission meeting.

RECOMMENDATION: This item was approved at the Development Review Committee (DRC) meeting on March 28, 2017. Subsequently, the item was approved by the Planning and Zoning Board on May 2, 2017 with a vote of 5-0. Copies of the minutes from both meetings are attached.

FISCAL IMPACT: N/A
