RESOLUTION - APPROVING WORKERS' COMPENSATION WASHOUT SETTLEMENT AGREEMENT WITH THOMAS MARTIN IN THE AMOUNT OF \$50,000 WITHOUT ADMISSION OF COMPENSABILITY.

BACKGROUND: Mr. Thomas Martin was a City of Margate employee for 30 years and retired from his position as Inventory Control Specialist in 2018. On May 12, 1998, he sustained an injury on the job. The above settlement was negotiated with the employee, Risk Manager and Third Party Administrator, and is found to be in the best interest of the City and the retiree. The settlement is proposed in order to satisfy the known liability and reduce the potential for future liabilities. Confidential medical information is contained in relevant documentation. For this reason, there are no attachments besides the resolution. The City of Margate could potentially be responsible for salary, benefits and claim administration costs far exceeding the agreed upon amount if this settlement is not approved by the City Commission. This settlement is presented to the City Commission pursuant to Section 2-38 of the Margate Code of Ordinances.
