STORMWATER RATE STUDY POWERPOINT PRESENTATION.

BACKGROUND:

At the December 12, 2018 Commission meeting the Commission approved a stormwater rate study to be conducted. The Public Works Department contracted with GovRate Inc. to perform the rate study and include the Cocomar Drainage District properties in to that study.

In order to assure the Cocomar ERU rates were accurate, Public Works contracted with Hazen and Sawyer to assist GovRates to gather that information.

RECOMMENDATION:

Commission hear a presentation from GovRates for their findings and request to raise rates.
