DISCUSSION - CITY CENTER SITE PLAN SUBMISSION DEADLINE

BACKGROUND:

On February 8, 2017, the CRA board approved a Second Amendment to the Development Agreement for the Margate City Center project. The Amendment extended the deadline for the developer to submit the site plan application from March 16, 2017 to August 7, 2017 (copy attached).

The Chair has placed this item on the agenda to discuss the possibility of reducing that time frame to thirty (30) days from the original March 16th deadline.

RECOMMENDATION:

Discuss and provide direction.
